

Health and Safety Policy Statement

O.T.L. recognises and accepts the responsibility to provide and maintain a safe working environment for employees and others who may be affected by our operations and it is company policy, so far as is reasonably practicable, to:

- to identify the hazards associated with work activities, assess the risks and provide adequate control to eliminate or minimise risk;
- to comply with local and UK legislation applicable to our business;
- to consult with our employees and others on matters affecting their health and safety and solicit their co-operation and assistance to create a safe working culture, environment;
- to provide and maintain safe plant and equipment and to ensure it is properly inspected and maintained;
- to ensure safe handling, transportation, storage, use and disposal of chemical substances;
- to provide the necessary information, instruction, training and supervision for employees and others who may be affected by our work activities;
- to ensure all employees are competent to do their tasks, and to give them adequate training;
- to prevent injury and work-related ill health to all who work for or visit site;
- to maintain safe and healthy working conditions; and
- to review and revise this policy as necessary at regular intervals.
- to commit to continuous improvement in the performance of health and safety including the setting and reviewing of objectives.
